**BRAVEHEART MENTOR • SPEAKER • AUTHOR •  
LIFE COACH FOR MIDLIFE WOMEN**

Dawn Damon is the BraveHeart Mentor, a best-selling author, certified life coach, ordained minister, and one of the most dynamic voices speaking to midlife women today.

After surviving abuse, divorce, and a complete life unraveling in her late 40s, Dawn didn't just rebuild. She discovered a framework for radical reinvention that she now teaches to women across the country. Her message is simple: it's not too late to become brave, get clear, and live the life you were designed for.

“

*I help women over 40 find the courage to stop living by default and start living on purpose.*
